- 1. Web Site** – The committee reviewed all of the web site pages and the committee made recommendations for changes and updates. Jayme McCourt will make the changes and the committee will review again before we bring it to full council. We should e-mail council that web site is up and running and to bring comments or suggestions to the next FFC meeting. The funding stream and org chart will be under FFC on the web site. We will change the link from the county website to the new site.
- 2. Logo Revision** – The Career Center did not have a logo for us today. They may have a logo for us by Thanksgiving. They have other people wanting projects from them.
- 3. Speaker's Bureau** – No status change.
- 4. Family Focus** – The committee questioned to continue the Hands Foundation ad in their publication. We will ask Joyce Giles if she feels we need to advertise in this publication and have a decision by the first of the year. If Joyce thinks its ok, then we will. Do we want to revise the ad at all? Further discussion if will be at the next meeting if needed.
- 5. Mrs. Strickland** – Our Governor's wife will be in Medina County on Tuesday, November 20, 2007 to attend a council meeting.
